Customer Reviews

"It has always been tough to find a devotional that we can both enjoy, until now. We're thankful to have Two as One to share together as we grow in our marriage!"- Jeff & Alise M. "Two as One could not have been more timely in our marriage. After 7 years of drifting slowly apart, we're finally getting insight into each others' hearts and desires." - Kyle & Danielle H. "In our busy lives and busy world, Two as One gives us a consistent place to read together, process together, and most importantly, encounter the living God together. "- Kyle & Emily R. "Two as One is a study that is straight forward, Gospel-centered, and practical. We have recommended it to all our young married couples at church!" - Jeff & Ashley P.

Ryan & Selena Frederick are passionate about seeing the gospel change hearts and transform marriages. They believe it's impossible for relationships to truly thrive outside of the redemptive, saving work of Jesus Christ. As writers they lead a vibrant community of hundreds of thousands of couples through their blog, Fierce Marriage.

My husband loved the profound thoughts they brought to everyday problems we face as couples and how the Word was broken down in a way that relates to our marriage! Never thought of the things they suggest for us to do for conflict resolution!

Nice devotional with some good reminders that are Christ-centered. However, they seem too short and don't go into much depth, even for a devotional. This is probably more suited to newlyweds and/or couples who are having marital troubles and communication issues. These will get a conversation started, many mature marriages might find them lacking.

Visually stimulating, one page length photo with inspiring words to begin each day. Centered around each inspiration photo, the lesson is 3 paragraphs long with correlating scriptures. The next two pages contain his and hers questions & prayers. This simple, unique devotional is heart changing.

This book is a huge encouragement to us! We love reading the Fredrick's blog and now to have some in depth material to work through together each day we are thrilled to rise to the challenge and excited for all the great things that will come out of investing in our marriage!

We weren't blown away by this devotional. It seems like a lot of the discussion questions are

repetitive.

Lovely book, we are just on the first chapter but it already seems to be a loving and faith filled book. Looking forward to reading it and doing the activities.

Very well written, nice simple designs with beautiful art to accompany each study.

Browsed through and cant wait to get started on the devotionals with my husband!
