Rabbi Prof. David Golinkin is the President and Jerome and Miriam Katzin Professor of Jewish Studies at the Schechter Institute of Jewish Studies in Jerusalem. He is the author or editor of over 40 books and over 200 articles including *The Responsa of the Va'ad Halakhah*, *The Status of Women in Jewish Law*, and *The Responsa of Prof. Louis Ginzberg*.

Rabbi David Golinkin is the leading Halachic figure of the Masorati (Conservative) movement in Israel. He is a 'talmid chacham' whose halachic researches are always models of scholarship, thoroughly researched and fairly presented. He is also an important Jewish leader whose aim is to teach the Jewish tradition not only to the already observant, but to the great majority of Jews who know little of their own Tradition. In this work he investigates one of the major pillars of Judaism, prayer. He looks at the historical development of Prayer in Judaism and gives insight into its true meaning and purpose. A highly recommended work.
