:)

Great book I've read!

I enjoyed the film, but never read all of the books. This is a faithful retelling with nice artwork, it is just overpriced! Look for a used copy!

I got this for my 9 year old son who has been listening to the "Left Behind" series on audio. He was delighted with this illustrated novel, and couldn't keep his nose out of it. The only down side is they don't complete the series.

Awesome!!!

Please do not buy it, because they are rip off cost alomst \$100.00. it should be about \$30.00 to less.
