The Greedy Python (The World Of Eric Carle)

Synopsis

>In this humorous story about manners, respect, and friendship, a greedy python eats every creature he comes across in the jungle. From a tiny mouse to an enormous elephant, the devoured animals eventually befriend one another in the belly of the snake, where they team up and kick the inside of the python until he spits them out. Rather than learning his lesson, the python sticks to his greedy ways. When he spots his own tail and mistakes it for food, he swallows himself and...disappears!Ã Â Ã Â Ã Â Ã Â This amusingÃ¢â ¬â •and cautionaryÃ¢â ¬â •tale features Eric CarleÃ¢â ¬â„¢s vivid illustrations and rhyming text thatÃ¢â ¬â„¢s been adapted into a Level 1 Ready-to-Read, making it ideal for sharing aloud with emerging readers.

Fun silly and lesson teaching. Love this book!

Very nice story with a surprise ending!

What's not to love about Eric Carle? I love that there are now the paperback books instead of just board books so that my 1st grader can enjoy the books by herself without feeling like she's reading a "baby book"

could be better. Cute story, condition was just okay but it was inexpensive.

Adorable!!!!! Love this book. Eric Carle is wonderful! Highly recommend.

I loved reading the Eric Carle books to my kids and still have most of them. Now buying the hardcover cardboard books for my new grandson. Received on time and exactly as described.

It a a cute book with a rhyming story. Of course, we've all come to expect great illustrations by Eric Carle and he doesn't disappoint with this one. It is an exaggerated lesson in greed that I really don't think my 2 yr old understands, he just loves that it is about a snake. The size of the book is really nice for my LO's small hands.

I didn't need the CD, but it was the only way I could get the larger book.
