Customer Reviews

No where does it tell you how to blow, where to put your fingers, how to hold it etc. I don't know any more about playing the flute than I did when I started. Waist of money and time. SAD!!!

This book is written in unintelligible disjointed fragments of sentences and explains absolutely nothing about how how you can quickly or otherwise master playing the flute.

disjointed and incoherent writing. Reads like a poor translation of a foreign language . Or could be random type setting errors.
