Born and raised on the banks of the Brill River in northern Wisconsin, books are a life-long passion for author Lee Klancher. Lee has photographed the Farmall Calendar for many years and has authored more than 14 books, including *Red Tractors*, *The Adventurous Motorcyclist's Guide to Alaska*, *The Tractor in the Pasture*, and *Motorcycle Dream Garages*. His work includes photographing farm tractors as well as adventure travel features for books and magazines. Lee's work appears regularly in motorcycle and travel magazines. Lee's other interests include off-road motorcycling, racquetball, mountain biking, dive bars, college hockey, and the Green Bay Packers. Mark Jenson specializes in light painting of tractors and rural scenes. His photographs have been featured in past Farmall calendars as well as the book, *Red Tractors*.

I bought this for my husband for Christmas and he loves that not only is it just about the magnum tractors but it also has all his favorite years in it.

Great looking calendar with awesome pictures and great detail. The calendar also has great background info on the featured tractors. It is a must have for all Case IH tractor fans!!
