Customer Reviews

I love this calendar. It was a great decoration in my home. I would certainly buy this cute calendar again.

I bought this calendar for 2012 and as the year is almost up I have to purchase another one but the last one was great.

Photos from a nice book, but not great choices. The bit that continues to irritate...each week starts with Monday. Very clever art department, but I bought this for work, and a quick glance does not suffice. Pretty pictures but not a working calendar.
