Angel For Higher

Synopsis

Angels for Higher chronicles the joyfully inspirational journey of Robert Hendershot, a recovering alcoholic, and his son Trevor, who has Down syndrome, as they seek God's will for their lives. The practical lessons God taught Robert in his recovery helped him to become a better father to Trevor, and vice versa. The spiritual lessons God taught him as Trevor's dad have helped him to remain sober since August 24, 1997. During Trevor's early school years, he was bullied and told he was worthless. Nevertheless, as a senior, he was elected as homecoming king in the greatest landslide in his high school's history. Trevor was also told that the best job he could ever hope for would be folding towels in a hotel Laundromat. However, after graduating, he was hired by Major League Baseball's Los Angeles Angels and by the National Hockey League's Anaheim Ducks to be the greeter at their team stores. Trevor's known, admired, and often loved by hundreds of thousands of sports fans, fellow employees, and professional athletes. Robert and Trevor are forming a 501c3 non-profit corporation, Angels For Higher, to help facilitate the "Trevorizing" of additional stadiums and arenas. Their mission is to encourage the hiring of individuals with Down syndrome to work as greeters (and pro-life ambassadors) at sports venues across North America and ultimately around the world. "Now to Him who is able to do immeasurably more than all we can ask or imagine . . ." (Ephesians 3:20).

I read this awesome book for my book club last month (Nov. 2015). I LOVED it. We

were so blessed to have the family in the book join us and share their lives with us at our book club meeting. In the book, they open their lives to us and shared some wonderful stories of what they had gone through. I laughed, and cried as I read it. Well done, Robert Hendershot! Thank you for opening your life with its ups and downs and joys and sorrows with us. I recommend that everyone take time to read this book and give it for gifts. That is what I am doing. Also watch for Trevor who is a greeter at the Angels and Ducks games in the gift shops. Thank you, Trevor, for enriching my life! ~Donna O.

Angel for Higher is a heartwarming, funny and inspirational story about a family learning to navigate life's obstacles. It delves into the struggles of alcoholism and raising a child with Down syndrome and interweaves scripture to show that nothing is insurmountable. I found this to be a story that anyone could relate to and learn from and I especially would recommend it for families with children with disabilities. As a child psychologist working with this population I loved that it highlighted the positive impact that these children have on our families and society. The specific stories of life with Trevor made me laugh and cry and I could not put the book down. We could all benefit from pausing to see the world through Trevor's eyes.

Angel For Higher is a really good book. Better yet an amazing true story of how God can take you from thinking that life is upside down to one of miracles and pure Joy. If we get the chance to get back to Southern Cal and attend an Angels game you can bet we will be looking for Trevor. I would recommend this great book to anyone and can't wait to see it on the big screen. Well done Robert.

A very inspirational testimony on dealing with the hard knocks of life, successfully! A good mix of humor, sadness and reality. A must read for anyone trying to deal with life's obstacles! Good job Bob & Trevor!

A true heartfelt story of how God took a broken man, rescued him, and used his Down syndrome son Trevor to bring joy, meaning and purpose to his life, and now the lives of many others.

"Angel for Higher", is a truly inspirational work in which author Robert Hendershot chronicles his battles with alcohol and and comes to a new understanding of what it means to have a child with a

congenital disability. He bares his soul in recounting how alcohol ravaged his life, family and sense of self esteem. After accepting Jesus Christ as his savior, he finally manages to become sober. But when he discovers his first born son Trevor was born with Down syndrome, Robert becomes very angry with God and cries out "I don't deserve a son like this!" Mr. Hendershot becomes more drawn to Jesus Christ and through God's grace maintains his sobriety. As for Trevor, who knew that when he was born he would become an inspiration to all those around him? This book is filled with wonderfully funny and profound stories describing Mr. Hendershot's and Trevor's roller coaster ride through life. You will be moved to tears and laughter and you will be inspired. Interspersed with many references in the Bible, this book is a must read for any body that has experienced or knows someone who has experienced the tragedy that alcoholism brings. It is also a must read for anyone with a child with a disability. It is also a must read for anyone wishing to feel more alive and grateful for all of God's blessings. In the end, Mr. Hendershot was right: no one deserves to have a son as wonderful as Trevor! Thank you Robert and Trevor for sharing your story.

Glory be to God for the life examples of Robert and Trevor Hendershot! Angel for Higher is the real life story of a sweet child born with Down Syndrome becoming a man whose testimony inspires and changes lives for the better.
