JOYCE MILTON received a degree in library science from Swarthmore College and a master's degree from the Pratt Institute in New York City. She lived in Brooklyn for forty years, pursuing her writing career. She was a noted author of children's nonfiction. MICHAEL DOOLITTLE has written and taken photographs for many nonfiction books for children, such as the Step into Reading titles Choppers, Motorcycles, Trains, and Monster Trucks. He lives in Connecticut.

Six year old grandson loved this book! He loves trucks, the bigger the better! He still rereads it.

My grandson loves this book.

My son loves it

My son has learned so much about the various kinds of trucks just from reading this book. He was actually able to identify a "cherry picker" in real life because he read about it in this book. We have thoroughly enjoyed it.

Great starter book, about there favorite trucks.
