## Customer Reviews

Unhappy to write a poor review- I am disappointed to say the above review is correct about the duplication of Chapters, and editing errors throughout- eg p 76 firstborn son JESUvSI do hope the book is reprinted- I would really love the entire Catholic Bible : )How is a book without the OT called a Catholic Journaling Bible? It is exactly the same as any other bible then.....

Loved the idea of it but when I received it, it had way too many errors. There are repeats of certain books like Corinthians 1&2, Galatians and Ephesians. I would like to see a journaling bible. If you could come out with one a bit smaller in size and the whole bible no repeats. EDIT: I bought a new version of this bible and all the errors are fixed! The pages stand up fairly well with water color, and nice area to paint/draw

I love it!! Ordering another one for my daughter!!

Received my Catholic Journaling Bible today and could not wait to dive into it. First I looked to see if there were a bunch of duplicates and did not find any that jumped out at me, so I am thinking the problem has been solved! The pages really are heavier than a normal bible. I will still use Gesso to ensure there is no bleed through. There is plenty of space to journal but the downside to that is the font is smaller than I would like. My first thought is "I hope they do the Old Testament next I really would like the set! I will update this review in a while after I start my journaling!

Beautiful big book. Every chapter has a page to color. The Margins are wide enough to draw, stamp or glue anything you wish. I really like it.

Nice quality pages, but contains about 100 duplicate pages.

Happy to say that problems reported by customers with a earlier printing have indeed been resolved! Finally a Catholic journaling Bible is available. Wide margins provide plenty of room for writing and illustrating verses of your choice. Designs to color interspersed at beginnings of books. The translation is an older one with beautiful language. Generous sized paperback, stays open easily for drawing. Wonderful product.

I am really enjoying this catholic bible for journaling. It has wide blank margins for notes/journaling or for artwork/watercolors. The paper is much thicker than other journaling bibles that I have seen. I like this edition with the New Testament with Psalms & Proverbs. I would highly recommend for any Catholics
