Synopsis

FREE on KINDLE UNLIMITED or just 99¢ to own. How foolish can she be? How could Maggie have fallen in love with her employer's son? She knows better. How many maids have gone before her—destroying their lives by falling in love outside their class? Too many to count. And now, she's one of them. What does it matter that Brandon Jeffries claims to love her? As soon as he leaves town on business, his mother makes quick work of Maggie—firing her on the spot. With nowhere to turn, Maggie crosses the country to become a Mail Order Bride. She cringes when she meets the odious man she's promised to marry. He relishes the thought of her serving him—both in his store and in his bed. Only the friendship of his sister promises to make life bearable for Maggie. All hope is banished. Maggie's life is in ruins. Will she ever find her way back to true love? Great LOW PRICE and Always FREE on Kindle Unlimited. Remember, this sweet, tender romance is a complete story in itself!
