Customer Reviews

I got this for my 7-year-old to read to his 4-year-old brother, as they are both completely obsessed with Minecraft and love chicken jockeys. The writing is cute and better quality than some of the unofficial Minecraft books, and Zeke's story kept them on the edge of their seats. We had to order the next two books immediately upon finishing and can hardly wait to get started. My youngest was a little bothered by a couple of the sad events for Zeke, but I suppose that speaks to the good story that he got to involved in the characters :) Good reading level for a first grader.

Baby Zeke: The diary of a chicken jockey (an unofficial Minecraft autobiography) (Baby Zeke the Chicken Jockey Book 1) by Dr. Block Kindle Edition Free download, List price \$0.79 Publication Date: April 8, 2015 | Age Level: 7 - 18 | Grade Level: 1 - 12 What a fun little book, and a great value for your money. This is the story of Zeke, a baby zombie and his friend Harold a chicken. Life or death can be hard when you're young and or small! Enjoyed this, but I'm not sure about the age appropriateness of the book. Great for young readers, but not many over 12 or so will find this very exciting. Not likely to rivet them to the edge of their seats, like it will younger readers. 5 stars for a good story well written look forward to the next installment!

It was so good! It totally rocked and i think the author should make a sequel. You rock author. Moo

Such a cute book for kids.

Another page turner from Dr. Block. If you're into minecraft you need to start this series: full of adventures and friendships. Had some laugh out loud parts, too. I'll just say cookies. Read the book!

Minecrafters need to read Zeke's story of his early life and partnership with Harold. So creative... I really enjoyed it!

I thought that this was a great and beautiful book i recommend it for kids and adults so i give it 5 stars!

Love the action, but book 4 is a little boring. Rise the roof on these books u good author cool book
