Lucy Out Of Bounds (Faithgirlz / A Lucy Novel)

Synopsis

Prayer is a powerful thing—especially when you're out of options. Lucy is a feisty, precocious tomboy who questions everything—including God. Understandably, especially after an accident killed her mother, blinded her father, and turned her life upside down. It will take a strong but gentle housekeeper—who insists on Bible study along with homework—to show Lucy that there are many ways to become the woman God intends her to be. It seems like everybody's got it in for Lucy! Mora's gone boy-crazy for JJ and will stop at nothing to cut Lucy's friendship with him out of the picture. A land developer wants the soccer field, and the town council just might take him up on it. And a wildcat is stalking Lucy's house cats. Worst of all, she's in trouble with her dad. Where can Lucy turn when it seems like nothing's going right?

Nancy Rue has written over 100 books for girls, is the editor of the Faithgirlz Bible, and is a popular speaker and radio guest with her expertise in tween and teen issues. She and husband, Jim, have raised a daughter of their own and now live in Tennessee.

Great book, read it because my nine year old Granddaughter was reading it. We both loved it. Hope

she writes more about Lucy!

My Daughter loves this series. Nice that is on Kindle

I liked all of the Lucy books. Definitely read them in order, as the story builds. I read them to decide if I would get them for my 9-yr old daughter. I did, and she likes them as well. Nice mix of novel, bible story, bible story application.

My ten year old says these are the best books ever! She adores them. She has read no 1-4. She can't put them down...a must read for this age girl.
