Rossella Rago is the host of the popular web cooking show *Cooking With Nonna* ([www.cookingwithnonna.com](http://www.cookingwithnonna.com)). On the show, Rossella invites an Italian-American nonna to cook with her, sharing traditional Italian recipes and fond memories of childhoods in Italy. Rossella has traveled the country and performed cooking demonstrations in many cities across the United States with local nonnas as her partners. In 2010, Rossella, together with her mother and her Nonna Romana, participated in the "Italiano Battle" episode of the Food Network's 24 Hour Restaurant Battle; Team Nonna won. Rossella spent her childhood in the kitchen with her maternal Nonna Romana, learning the long legacy of recipes from Puglia passed down through the generations for centuries. Launching *Cooking with Nonna* has allowed Rossella to expand her culinary expertise to much of the rest of Italy.

Love love love all of Nonnas recipes! Great instruction so everything come out perfect! As close to our own Nonna's cooking as we could ever get!

This lady is so lucky her mom is still alive. I read this cookbook cover to cover & wished I was on the east coast again. I was hoping to find a desert one of my aunts used to make only for the holidays. We still talk about it for the holidays. Can't wait to try some of her receipes.

Absolutely love Rossella and her Nonna and all the other Nonnas. Her cookbook surpassed my expectations.

What a great cookbook!! It is filled with great recipes with colorful photos! Each Nonna has a story to tell on food, family and culture. I enjoyed reading them and brings back Memories of my own Nonna Rosa.

Love, love, love this cookbook! I follow Rossella on Instagram, so I couldn't wait to receive mine. It does not disappoint! Filled with mouth-watering recipes & photos and great interviews with all the Nonnas, it is a pleasure to read. I can't wait to try-out these authentic recipes! Being an Italian-American myself, I can really appreciate the culture of this cookbook. Thank you, Rossella!!

This book is a wonderful testament to traditional Italian recipes made by many nonnas. The recipes are simply written and super easy to follow. The personal nonna stories are endearing and lend an authenticity to the dishes. The photography of the dishes that were shared is beautiful. This is a

quality cookbook that will be enjoyed forever along with its generous spirit Bravo Nonna and Rosella!!

My wife is from Bari Italy and she says that the recipes in this book are very authentic.

Excellent book with so many great recipes of the best Italian homemade cooking. So much nostalgia of my mom and my grandma cooking. I'll recommend it to anyone who loves to cook , easy to follow recipes . Buon appetito !
