## Customer Reviews

I pre-ordered this book but delayed reading it because I didn't want the Greatest Love Series to end. I couldn't put it down. Great read. It left me craving for more. I was happy to see families mended and relationships blooming. Although this great series has ending Author Woods has opened the door for us to delve in the lives of the other families she introduced us to. The Owens clan, I looked forward to reading their series. Ralph and Tabitha, Dawn and Wilson, Karen and JD. This

Conclusion is also a beginning. Thanks Author Woods.

Wow. Finished today. This was a great book. Genevieve Woods has made Christian fiction so entertaining without it feeling like it being preachy. This group was something else...all the twist and turns throughout the series was good but The CONCLUSION was an excellent way to end the series...if that was what this author was doing. Instead, she left us wanting more and I can't find out what happens with Jennings and the rest of the gang.

I love this book series. I wish it was a movie or a television show. There were lessons learned, truthful blessing and a lot of prayer. Mrs. Woods you now have a new follower of your books. Keep writing these beautiful stories.

I love this author, her books really display her true relationship with Our Lord and Savior. She brings so much out of each character you find a little bit of yourself in all of them. I am excited for upcoming projects from you. Continue to allow God to use this awesome gift He has given you!!!

I must say that I have definitely been looking forward to this last installment of The Greatest Love Series. Genevieve definitely did not disappoint. I absolutely loved this book!!! I feel like I personally know each character & have watched them go through their various tests & trials together. Without being overly preachy, this book (and series) shows that God will fight for you & His plan is always best. I simply can't wait to read the future spin-off novels. Great job!!!!

What a conclusion! You didn't cease to amaze in this beautiful finale of The Greatest Love Series. I love love and each character's individuality. Love truly conquers all. Excited about the next series.

Such an exciting conclusion to this series. God's unconditional love, lots of those twins were portrayed in this story, those twins called GRACE & MERCY! Just a great storyline showing reality of blended families, etc. Enjoy!

Loved the family, loved the struggles, loved the balance, and most of all no matter what obstacle (s) that was placed in their way with the help of GOD they overcame.
