Look! It's An Airstream: 40 Collectible Postcards

Synopsis

Airstream trailers have been turning heads on the highways since they first started caravanning across America in the 1930s. Forty amazing images of Airstream trailers sparked in front of the Pyramids at Giza, cruising through the Grand Tetons, overlooking a moonlit Golden Gate Bridge vividly demonstrate Airstream's lasting appeal as an enduring icon of sleek, aerodynamic living. Ideal for collectors of Americana and fans of the open road.

Customer Reviews

I recently bought my own Airstream, and a friend bought this box set for me. I now have several of my favorites up by my desk at work, so that I can daydream traveling the world in it. The box contains classic photographs from primarily the 1950's and 1960's. Several black and white photos, as well as color ones. The variety of photos and locations on the postcards are very conducive to travel daydreams! If you have ever owned an Airstream, or have just admired them from afar, this little box of postcards is really a great buy. I plan on keeping the whole box for myself, but maybe I'll buy another box to send to friends while travelling in mine.

Forget e-mail! Get a pen and buy some stamps! This beautifully designed postcard box is an object to treasure in itself and the amazing cards inside will inspire you to take pen in hand and rediscover the art of correspondence. Perfect to send to your friends while you're jetsetting around the globe. On the other hand, the cards are so cool you may want to keep them all to yourself so buy two!
