3D Dot To Dot Cities

Synopsis

Complete each color-coded puzzle, and then put on the included 3D glasses and watch street scenes and urban landscapes from illustrious cities such as New York, Amsterdam, Istanbul, and more come to life! With more than 400 dots in each puzzle, these will take you a satisfyingly long time to complete. Develop your hand-eye coordination and increase your concentration skills while you watch detailed line work pop off the page.

Shane Madden is an award-winning illustrator cover artist, and technical illustrator. He has worked on over 200 published covers for books, magazines, and games, including New York Times bestsellers such as White Hot Kiss. Shane has also developed technical illustrations from product renderings to anatomical and biological images and instructional materials. He loves taking on challenges and creating innovative artwork that engages people in new ways. Shane lives in Toronto, Canada, with his family.

Nice concept, but no perforated pages is a big negative.
