# You're Mine Vol.1 (Manga Comic Book Graphic Novel)

## Synopsis

UPDATE: There is a newer version of this e-book available. Please search by [You're Mine -The Complete Chance At Romance Edition (Vols.1-7)] "You're mine from now on." Ayumi is a typical high school girl, but one day her classmate Takano suddenly declares that she belongs to him. Takano goes his own way, leaving Ayumi befuddled. But his occasional kindness makes her heart throb in excitement. What will happen to Ayumi's swinging emotions? A classical girls' comic loaded with phrases that all girls love to hear. You will certainly feel like cheering for Ayumi and Takano! \*\*\*\*\* Special limited offer price !!

## Customer Reviews

The title of this book says everything. "You are mine" are the three words that kick off the whole plot. The characters move through the dialogue a bit too quickly for my taste, but the thoughts get across to the reader all the same. And while this story is very "shoujo-romance" cliché, it's still quite entertaining. The artwork is a bit flat at times, but overall decent. I think my only real complaint is that

a blank page does happen every other page. It's kind of annoying, but not intolerable. If you want something for a bit of light reading and you don't mind clicking the page button twice, then give this book a shot!

I don't understand how this book got so many good reviews!! The art appears to be rough sketches instead of finished art work. The story line is underdeveloped and moves too quickly. I can hardly understand the story because the translations are done poorly and the story line is poorly developed. Thank goodness I only paid \$2 for this.

This book has a cute plot line but it's written in broken English. If it were to be properly edited by a native speaker, the dialogue would become much more natural and less distracting for the readers. I've lived in Japan for many years and this book is full of the most common mistakes EFL/ESL students make.

I guess it's not my type of manga but I was disappointed with the random story line this had. I was expecting the story to be a lot more detailed and filled with deeper emotion. The very title of "You're Mine" just drew me in. But I guess it's just not my type of manga.

For such a strange premise I thought this was gonna be another typical slave-master manga. But it's actually sweet and heartfelt with maybe not the most creative characters but likeable and entertaining ones nonetheless. The pace and lightheartedness mixed with some drama reminded me of Fruits Basket without the supernatural (the manga not that s\*\*\*ty anime) There are only two volumes available but hopefully if enough people buy it they'll release more volumes.

It's a very touching story. If you're into the guy who who has a sweet heart inside. But is as cold as ice on the outside.

I thought it was a very cute manga but I read through the books crazy fast.

Well at first it can seem cheesy but it has a lot of amazing humor, a good mix of love and confusion! The characters develop nicely as the story goes along all while introducing new characters! Very cute, comedic, and very well illustrated! Some of the text is a bit off and sometimes hard to follow but overall it is amazing! You really need to read this if you like a good girly romance! ;)
