## Customer Reviews

The book contains the history and foundation of affiliate marketing and also carefully

selected, proven steps to take in this marketing business. This book is ideal for people who makes blogs and channels. This will help them earn money the right way. The information are very detailed and thoroughly discussed which will be easy even for people who are new on this kind of marketing This is definitely a good read or those who wants to create a new income.

I found valuable tips on choosing the right product to promote in a way it is effective. This book also teaches us how to start using free traffic methods to generate leads and cash-in huge commissions. This is our guide to affiliate marketing success as a beginner or just starting out a new venture as it grow along the way.

Affiliate marketing can be confusing to start and navigate, but with a good reference guide and a good list of books to help you navigate long term, you will be successful. This is a great book as a quick reference and will help you to get started as well as understand the pitfalls to making quick profits. Great book!

I'm actively researching affiliate marketing and I can say that this book is good quality. It includes introduction and history to get a better idea of the concept and then continues in providing tips on how to prepare, start and manage the business. The list of affiliate networks is super useful, helps to choose the best one for your purposes. Recommended

Personally, I have chosen this type of marketing because I feel free and do not depend on others, I am a big boss))) Perfect guide in affiliate marketing with strategies how to increase website traffic, affiliate marketing niches, tips to become successful in this field and list of mistakes which beginners can do. Informative guide. I've found out a lot of new information.

The book is well presented and gives the beginner a good overall guide in the understating of affiliate marketing. There are helpful tips and advice and of importance some mistakes to avoid. Happy to recommend this book to all who wish to get starting in making money online

Good! In this book, you will find valuable tips on choosing the right product to promote. This book also teaches you how to start using free traffic methods to generate leads and cash-in huge commissions.

The fundamentals are right however there is no proof or screen shot of how much (if any at all) author makes using this method
