As a former certified Apple technician I can truly say Robert Noah did an outstanding job with this Manuel. Preparing you for iOS 11 and just hitting step by step instructions how to use the iOS and your current iOS with also providing illustrations.Awesome

Very useful information for those that are not familiar with iPhones. These new generation has changed. Even seniors are now using iPhones therefore, this manual is very helpful.

Very informative, helpful book. Especially for your mom or dad who's afraid to ditch their old flip phone and join the smartphone era!!
