Pictures From Home

Synopsis

Brand New Publisher's Stock. Shrink-wrapped stock. "What drives me to continue this work is difficult to name. It has more to do with love than with sociology. With being a subject in the drama rather than a witness. And in the odd and jumbled process of working, everything shifts: the boundaries blur, my distance slips, the arrogance and illusion of immunity falter. I wake up in the middle of the night, stunned and anguished. These are my parents. From that simple fact, everything follows.' Larry Sultan. First published in 1992 to wide critical acclaim, *Pictures From Home* is Larry Sultan's pendant to his parents. Sultan returned home to Southern California periodically in the 1980s and the decade-long sequence moves between registers, combining contemporary photographs with film stills from home movies, fragments of conversation, Sultan's own writings and other memorabilia. The result is a narrative collage in which the boundary between the documentary and the staged becomes increasingly ambiguous. Simultaneously the distance usually maintained between the photographer and his subjects also slips in an exchange of dialogue and emotion that is unique to this work. Significantly increasing the page count of the original book, this MACK design of *Pictures From Home* clarifies the multiplicity of voices - both textual and pictorial - in order to afford a fresh perspective of this seminal body of work. Emphasising the cinematic motion of the family's home videos, the Super-8 film stills have been newly digitised and magnified, with select scenes running full-bleed across double-page spreads. Meanwhile, Sultan's photographs of his parents as they go about their daily lives - against the quintessential backdrop of the Reagan-era American dream - are supplemented with previously unpublished images. Most significantly, the book honours Sultan as the oft-hailed 'King of Colour Photography'.

Book Information

Hardcover: 196 pages

Publisher: Mack (April 15, 2017)

Language: English

ISBN-10: 191016478X

ISBN-13: 978-1910164785

Product Dimensions: 9.8 x 0.4 x 10.6 inches

Shipping Weight: 12.6 ounces

Average Customer Review: 4.2 out of 5 stars 5 customer reviews

Best Sellers Rank: #390,106 in Books (See Top 100 in Books) #68 in [Books > Arts &](#)

One of my favorite photo books, if not my favorite. For me this is the best body of work by Larry Sultan. Honest, poetic and heartfelt words and images.

great

Purchased as a graduation gift. The grad was extremely happy with the book.

I own the original (1992) version of this book and it's really wonderful....the only reason why I bought this (supposedly-updated) version is because the description made it sound like there were a significant number of photos added. Upon receipt of this book, I spent lots of time comparing every single page and the description is most definitely untrue. *Further*: several of the original photos were enlarged and that was supposed to make them look much better - but they're actually "washed-out" in this version and they look awful. Don't waste your money on this book (but if you don't already own the 1992 version, I HIGHLY recommend it).

Not much to say except the books came at a perfect time. They were everything and more than I expected
