How To Reach Your Full Potential For God: Never Settle For Less Than His Best!

Synopsis

Things are never going to change, or "This is just the way I am - I'm never going to get better", are just a few of the damaging lies Christians believe about themselves, their situations, and their walk. But Dr. Stanley shares the real truth as God sees it. With this powerful and inspiring message, listeners will reconnect with the grand vision God had when He uniquely created them. They will learn that regardless of setbacks, failures, and frustrations, there is a better path based in His Word, one that's full of freedom and purpose. This book takes them to their specifically designed paths to become exactly who the Father made them to be and achieve exactly what He designed them for.

Customer Reviews

This audiobook is more extensive than I thought it could be. (I have the original sermon preached several years ago, and this brings much more insight.) I try to listen to it regularly to help my perspective and stay motivated to do my best for the Lord. Dr. Stanley shows how kind God is by knowing all of our awkward humanness, and even our doubts about whether our abilities or experiences are useful to Him. I love how he reinforces that it's God's responsibility to get us where He wants us to be. Our job is to respond with obedience. My favorite is learning that it's okay to be unique -- our gifts and abilities are unique -- we're not called to do what everybody else does. God is bigger than "one-size-fits-all" way of thinking. Hope it helps you too.

Very good book...I've only read the first few chapters but so far it's an excellent book. The book

came in brand new condition even tho it was suppose to be a used book!!

Dr. Stanley's writings have helped me grow as a Christian for more than 30 years!!

Great teaching tool, leaders and those who would become leaders need to read this book. It helps you not only learn how to deal wth your own potential but build relationships with others that can bring out thier potential.

Dr. Stanley has affirmed the things that I have believed all along but have never acted on. This book has inspired me to put into practice those principles that will definitely change my life for the better. His writing style is down to earth and understandable. Thank God for this book!

Very interesting to read.

Easy to read, clear and full of God's uncompromising Word. Very relevant and covers pretty much every area of both believers and non-believers lives where we may be discouraged or unaware that we are not giving our best to be awesome. Good job Dr. Stanley. I highly recommend you get this book today!

Given as gift.
