To Wake, To Rise: Meditations On Justice And Resilience

Synopsis

The 2017 edition of the UUA inSpirit series is an anthology of 29 poems, prayers, and reflections about resisting oppression and keeping the faith in social action work. Written by a range of contributors, including ministers and lay leaders, these readings are ideal for both private contemplation and for use in worship. Collected and introduced by a former president of the UUA and the first person of color to hold that position—these meditations are both a support for activists and a call to action in a new era of political and social division.
