## Customer Reviews

Maurizio Valerio is a rancher, naturalist, writer and devoted outdoorsman who decided to live with the wild animals that he cherishes so much in the Wallowa Mountains in Northeast Oregon. He has traveled extensively throughout the world for over 25 years. He received a Doctoral degree Summa Cum Laude in Natural Science, from the University of Parma, Italy, and a Master of Arts degree in Zoology from the University of California, Berkeley. He is dedicated to preserving everyone's individual right to the respectful knowledgeable, and diversified use of outdoor resources

Not what I expected and I failed to realize how dated it was. The book is divided up into activities

rather than locations, so its not ideal for a quick reference book when on a road trip. I'd suggest looking elsewhere for a book which is more up to date and travel friendly. Returning it!
