The Venus Sequence: Opening Your Heart (The Gene Keys Golden Path)

Synopsis

In the Venus Sequence, we follow the path of Love. We use our daily lives and our relationships as the fuel of our spiritual transformation. This means that if you have a primary relationship, then you must place that relationship at the heart of your life. If you do not happen to have a primary relationship at the moment, then you must place all relationships at the heart of your life. The Venus Sequence is an extraordinary journey that teaches us ever so softly how to open our hearts and keep them open.
