Text: English, Greek (translation)

I like this book but not for the reason you may think, I walked away from Christianity! Scholars have realized that the Gospel writers used parts of these unauthorized Bibles that did not make it into the Christian canon to help write words for Jesus. I'm only using this for proof reference. PS If you think these books or book is written by Israel prophets my heart goes out to you!!

It is a very good book, written in the style of antique Jewish, but very interesting.

Everyone who is really studying the Bible, Bible times, Bible culture should read this book. It was definitely worth the money.

It is a good reference and addition to our Bible study. It fills in and clarifies some issues. Probably written by Isaiah
