The Bitter Ashes Series: Books 1-3

Synopsis

She's not their long lost fairy princess. She's their executioner. Kidnapped in the middle of the night, and thrust into a world straight out of Norse Myth, Madeline only knew three things: First, her kidnapers were something other than human. Second, she could no longer run away from the deadly gifts that had plagued her entire life, because these people wanted to use them. Third, she was falling in love with a man she definitely shouldn't be falling in love with. A normal person would run screaming into the night, but Madeline isn't normal, and there's something about dark, alluring Alaric that's making her question everything she's ever known.
