# The 10 Best Of Everything National Parks: 800 Top Picks From Parks Coast To Coast (National Geographic The 10 Best Of Everything)

## Synopsis

National parks are more than the best idea America ever hadâthey're our country's best playgrounds for millions of vacationers who want to enjoy recreation activities, nature and wildlife, and down-time with friends, family, or as solo travelers. This timely, idea-filled guide covers "classic" parks, national historical parks, national monuments, national battlefields, national scenic trails, and beyond. Hundreds of Top 10 lists highlight every park's best attractionsâbest lodges, best hikes, best star-gazing spots, best campfire meal spots. Destinations are covered by region, theme, season, and occasion. Photos, anecdotes from park rangers, and insider tips, plus traveler resources such as hotels and restaurants, make this the national parks guide travelers have long sought.

## Customer Reviews

âNational Geographic has packed 800 ideasâ [This guide will tell you the best places to find waterfalls, wildflowers, rock art and petroglyphs, fossils, and geological oddities as well as the best places to watch the night sky, take a family-friendly hike, enjoy wind sports, find the best food and the most coveted hotel rooms. And if you don't like crowds, there's a list of 10 underappreciated parks.â

âThe Boston Globe â There's a lot to embrace in the new book.â

âBaltimore Sunâ I was pretty inspired by the book â it's obvious that it was put together by a group of people that have a real passion for the national parks system.â

âAlbany Times Union â

NATIONAL GEOGRAPHIC is one of the world's leading nonfiction publishers, proudly supporting the work of scientists, explorers, photographers, and authors, as well as publishing a diverse list of books that celebrate the world and all that is in it. National Geographic Books creates and distributes print and digital works that inspire, entertain, teach, and give readers access to a world of discovery and possibility on a wide range of nonfiction subjects from animals to travel, cartography to history, fun facts to moving stories. A portion of all National Geographic proceeds is used to fund exploration, conservation, and education through ongoing contributions to the work of the National Geographic Society. Fran P. Mainella was the first woman director of the United States National Park Service. Prior to this, she served as the director of Florida's State Parks, a role for which she was awarded the Pugsley Medal. She is now a visiting scholar at Clemson University, as well as the cochair of the organization's US Play Coalition.

It's a great book and reference for visiting parks and national monuments, but I do wish all the top 10 sections throughout the book had the state location in addition to the park/monument name. There are some national monuments listed with pictures and descriptions, but no location! I have to look them up in the index, which isn't a big deal but it would be easier to navigate with a state reference.

Great book on National Parks - different than most with the lists on the best parks for a variety of topics/activities.

Great book, with great content on the parks. I may not agree with some of the rankings, but I'm also partial to my favorite parks.

If you like to travel to our national parks, this book is a "must buy." You can find what activity you want to do, and this book will tell you the top 10 parks for doing that. Lots of great tips as well.

This is an awesome book about the national parks. I do wish it had a map for trip planning and an index to look at the parks by state.

Was hoping the book would be better but it was just fine.

bought used, excellent price and looked like it was barely used.

Good buy for this time of year.
