Praise for Get Lost "So many girls who are longing to be loved are looking in all the wrong places to be filled. Get Lost reaches into those searching hearts, pulls out deepest longings, and whispers brave truths about a feminine heart's inherent search for love. Dannah Gresh tenderly reveals how to discover faith-filled contentment that will last a lifetime. Get Lost is a generational game changer!" Tracey Eyster, author of Be the Mom and founder of momlifetoday.com "Confusing our desire for God's love with a desire for a man's love is easy to do. Dannah helps us understand God's created design for this love craving, how we should respond, and what a true God-honoring relationship looks like. Her refreshing honesty and transparency reflect an authentic desire for Him. Dannah is wise and a worthy guide to follow." Barbara Rainey, cofounder of FamilyLife Today "For

every girl who has been in relationship after relationship and lost herself somewhere along the way. For every girl who has lost hope that God's best is really out there when it comes to love. For every girl who has lost something precious and found heartbreak, hurt, and disappointment. Get Lost is for you. So much more than a Christian how-to guide for love, this book will change the trajectory of your heart by moving you from boy crazy to God crazy. Every girl needs to grab a copy and get lost in the wise guidance and biblical love story Dannah weaves so well.

•Erin Davis, author of the One Girl series "This is not just another find your man book for young women. In this compelling read, Dannah Gresh effectively shows young women how to be lost in God first, so that if God then calls them to relationship, they will be far more able to love their man well. Dannah, you are a treasure, and so is this book!"

•Shaunti Feldhahn, best-selling author of For Women Only and For Young Women Only "With transparency, winsome imagery, and wisdom, Dannah Gresh tells it as it is. We want boys more than we want God, yet only when we focus on His love, His life, do we find the fulfillment we seek. I got lost in the pages, and I can't wait to share this book with the young women in my life. Getting lost in God is a message worth proclaiming!"

•Tricia Goyer, best-selling author of Life Interrupted: The Scoop on Being a Young Mom "I can't wait to get this book in the hands of every young woman I know. Dannah not only points out the dead end of trusting in a guy for fulfillment; she practically shows you how to make Jesus the One your heart adores."

•Juli Slattery, psychologist, author, and cofounder of Authentic Intimacy "This is one of those books that I learned from as I read but feel like I'll return to and learn from over and over as the truths continue to digest into my soul. Dannah is easy to read and feels like a trusted friend."

•Annie Downs, author of Perfectly Unique

Dannah Gresh is the best-selling author of eighteen books, including *And the Bride Wore White*, *Lies Young Women Believe* (with Nancy Leigh DeMoss), and *What Are You Waiting For?* A popular speaker nationwide, Dannah has long been at the forefront of the movement to encourage tweens and teens to pursue purity. Dannah lives in State College, Pennsylvania, with her husband, Bob.

I received this book today and have read 12 pages... That's right, only 12, and this book has hit me. Within just the first 12 pages Dannah has hit the nail on the head with what I am experiencing. Thank you Dannah for this book, I am SO excited to continue reading along with the other books I bought "The Bride Wore White" and "What Are You Waiting For?: The One Thing No One Ever Tells

You About Sex." *Way to go Dannah!

As a 23 year old single female with a new, thriving career, I felt that the obvious next step in life was a husband. I could not understand, though, why I knew in my head that God needed to be the One to fulfill that desire while my heart longed for an earthly man. This book answered that question for me and gave me new insight into Eve and her influence on us women still today. I HIGHLY recommend this book for every single woman, young or old. You will be blessed.

This book is amazing. It leads and shows the readers the true love that we need is from Jesus. That love we find in Jesus is the same love we are to give in a relationship (marriage). It's this type of love that says no matter what you do I'm still going to love you, it is not based on what your spouse or anyone can do/has done for you it's unconditional love! It made me realize why I liked the Twilight series so much. No matter what Edward did for Bella or what he did/happened to her, she loved him unconditionally and he her. I realized their love is a love that is attainable. GOD HAS SOMEONE SPECIAL FOR US ALL. HE HAS A PLAN FOR US ALL!!! Just trust and follow him.

In Short Review: Dannah Gresham's book "Get Lost: Your Guide to Finding True Love" is a great practical, book that beautifully and tangibly looks at how to have our longings fulfilled in Christ. I would recommend it as a follow up to Dannah's other books: "Pulling Back the Shades" or "What are You Waiting For". In short, Get Lost, is the practical application on how to get lost in the Lord's love, and let it fulfill and sustain you!

My oldest daughter (18) read this first and highly recommended it, and now I am in a mother-daughter group with my younger daughters (14 and 16) that gets together each week to discuss the book. It is challenging for the mothers and daughters alike! Dannah teaches that the love that we crave was meant to be fulfilled in our relationship with Jesus, and that if we try to fill that void with boy-girl relationships, we are selling ourselves short of the awesome fulfilling love that God has for us! Not only does Dannah bring this truth home, but then she has included a 10 day challenge which walks the girls through a study to help focus on and deepen their relationship with the Lord. We have several copies of this book in our family and have given many more as gifts!

Worth reading. I loved it.

Great book.

Been an amazing journey getting closer to my Father this way. I may be ready now, after a handful of years. Amen.
