John L. Young is a former newspaper reporter and columnist. He has also authored historical, true-crime novels, a career guide, and the FalconGuides *Hiking the Poconos* and *Best Hikes Near Philadelphia*.

This is the best hiking guide, hands down, and it is because of substance and organization. The book is broken down by geographic regions (PA is BIG), and those sections do contain the relevant places to visit. Each trail gets 2-4 pages, the content is organized by an aerial map with the trail outlined and roads named, a fact box including length of trail, elevation gain, terrain features, etc. This is followed by 1-2 pages describing the blazes, ecology, terrain, access / parking, etc. This book deserves ALL of the stars.

I bought this for my best friend as a gift, and while it sat around the house for a few days before his birthday, many friends commented on how great of a guide it was. It has beautiful pictures and a wealth of information that's great for a summer in PA.
