Fun With Bongos

Synopsis

Recent interest in bongos has surged with the inclusion of bongos in almost every type of music including classical, rock, flamenco, jazz, Latin, Middle Eastern and East Indian. Fun with the Bongos was written to provide a simple guide for someone without any musical experience who wants to learn to play the bongos. The book is designed to teach drum notation, basic bongo technique, simple rhythms and their application. In addition it develops familiarity with the construction, nomenclature and characteristics of the bongos. Fun with the Bongos is the first level in a series of books written by the author. Now includes Spanish & Portuguese translations. Includes access to online audio.

Customer Reviews

An great simple book for those people aspiring to become a "bongocero". It provides information on tuning, musical drum notation, basic bongo techniques and rhythms. It should keep you busy until you are ready to move onto the next intermediate book of the bongo series, "The Bongo Book" by Trevor Salloum.
