# Birds Of Uganda

## Synopsis

Birds of Uganda is a vibrant, colourful and unique representation of 280 species, and features more than 900 stunning high-resolution photographs showing a variety of plumages, genders and ages. This book is a must for any tourist visiting Uganda – one of the top birding destinations in the world. Whether you are an experienced birder, or simply fascinated by the incredible variety and colour of the birds you will find there, this book will primarily help you to identify them and will provide a lasting and beautiful memory of them to take home with you. This guide also gives bird names in 9 different languages, shows a map of Uganda's National Parks and Wildlife Reserves, and shows the popular Birding Sites, whilst also giving brief descriptions and information on habitat or interesting facts for each species. Birds of Uganda is a book that: covers commonly-seen species of resident and migratory birds, together with map of the most popular birding sites. features vibrant, high-resolution colour photographs for easy identification. includes bird names in English, Latin, French, German, Spanish, Italian, Mandarin, Japanese and Russian. is a perfect companion for any tourist visiting Uganda, whether an experienced birder or a complete beginner
