Eric Lucas's writing and photography have appeared in the Los Angeles Times, MSN.com, Alaska Airlines Magazine, and Western Journey. He is the author of several books, including *Victoria & Vancouver Island: A Great Destination*, *Michelin Guide to British Columbia*, *Michelin Must-See Vancouver*, *Hidden British Columbia*, and *Seattle Survival Guide*. Lucas and his wife live in Seattle.

I booked hotels on the island and want to have a guide book to plan my sightseeing route. The book does not suite for it. It provides lodging descriptions. Why? I can find all them in Internet before booking. Who needs this?The structure is poor. It is hard to find valuable information among garbage.Maps and photos are good. That is why I set 2 stars not 1.

There appear to be very few guides for all of Vancouver Island. This guide is selective with focus on

places that Eric Lucas feels are most worthwhile and does a good job of listing better lodging and restaurants. Easy to follow with adequate maps. You may need more detail on specific area of interest that will be available on the internet. Very good guide with nice photos but you will need to do some work to gather all that is needed for your visit.

Excellent book that gives a lot of information about different areas of Vancouver Island, things to do and see on your trip.

Sat down and read half the book when it arrived.
