Customer Reviews

"In terms of comprehensiveness of coverage, the very accessible format, and the enthusiastic tone, this series remains one of the best on the market." *Booklist* "Fodor's super-informative guidebooks are known for accuracy and attention to detail!" *The Sacramento Bee* "The Fodor's guides are notable for their ratings of sights, restaurants, shops, accommodations and attractions." *Chicago Tribune* "The great detail, infectious spirit, and attractive format are distinguishing traits of these guides, which are entries in one of the

top series in the business." *Booklist* "Fodor's can help you plan the perfect adventure" *The Arizona Republic* "Always thoughtfully written and easily readable, Fodor's travel guides have become a must-have when traveling to unfamiliar destinations" *Mid South Magazine* "Widely recognized as the gold standard of mainstream travel" *Honolulu Advertiser*

I will be going to the Keys in June, and this book has given me some great pointers and places worth checking out. Between this book and some online research, I really feel like I will have a good plan on some of the stops to take advantage of. It doesn't cover every single place and attraction, but it covers a lot of the main things to do - it is also an easy read, so you don't feel overwhelmed trying to figure out where to go. I look forward to seeing if their suggestions are worthwhile.

Very tiny print, no maps. Disappointed!

Small book, but packed with details about the Keys.

Having been to the Keys previously and preparing to return for a longer stay, I expected more depth to the information (local knowledge).

We bought this little guide as we were getting ready to visit the Keys for the first time. It served us so well- like a tour guide in my pocket! It takes you through all of the Keys, beautifully organized by the different islands, with maps that allows you quick reference to "key" places. We used it to visit the "off beat" places that many tourists miss but makes sure to guide you to the very popular attractions as well. Thanks to this little book, our reservations were made before we left and we were not disappointed. This trip for us was a short one, only 6 days, and without this guide, we would not have made the most out of the time we had. From places to stay, things to see and do, and historical references we felt totally oriented to the islands before the trip began. It made the trip easy, relaxing and a whole lot of fun!

Easy reading.

Thanks again

Very good source of info when planning a trip to the Keys.
