300 Questions And Answers In Radiography And Fluid Therapy For Veterinary Nurses, 2e (Veterinary Nursing)

Synopsis

* The titles in this series provide the student with a collection of new questions and answers in individual subject areas so that the student can concentrate on specific areas of weakness * This new Series of Multiple Choice Questions provides the veterinary nurse student with additional opportunities for both self-assessment and examination practice. * The selected subject areas have been grouped according to the requirements of S/NVQ levels 2 and 3 veterinary nursing examinations, enabling the student to purchase only those books relevant to their year of study. Compiled by a leading training centre, these questions are representative of the type of question likely to appear in the examination paper. By using these revision guides you will not only increase your understanding of the subject but also increase your chances of achieving success in the examination.

Customer Reviews

"This book is a valuable self-assessment tool.. the content and features are very straightforward and concise... an excellent source for veterinary technicians to utilize for a self-assessment/evaluation at any given time during their career" Doody's, January 2001 --This text refers to an alternate Paperback edition.

my parents need it, very recommend . I have owned many knives over the years, but this is the first

real" bread product that I have ever owned. I really like the construction and design. It works exactly as advertised. I have used it on bread and tomatoes and it did the job perfectly well. I would recommend this product to anyone who needs a quality bread product." good seller. good product with high quality.

Received as described. my husband think it is amazing , next day arrive. Incredible product. Very sturdy. Arrived on time. I enjoy using it. OK
