Product Dimensions: 8.1 x 0.9 x 10.7 inches

Shipping Weight: 1.3 pounds (View shipping rates and policies)

Average Customer Review: 4.4 out of 5 stars 179 customer reviews

Best Sellers Rank: #5,153 in Books (See Top 100 in Books) #1 in [Books > Travel > Food, Lodging & Transportation > Road Travel](#) #27 in [Books > Travel > United States](#)

## Customer Reviews

...an essential guide for RVers. --T. Dixl have used the Next EXIT for nearly two decades, and have found it to be the most accurate of any of the services guides on the market. --emaill would give up my map before I would leave home without the Next EXIT. It's the best thing I have in my car, and this includes GPS. --W. Black

Watson traveled across the US for the first time at the age of 6 weeks and many, many times since. As father of a young family, he realized the value of knowing what was ahead on the interstate highways. After tabulating highway services for seven years, he published the Next EXIT in 1991. The first comprehensive guide of its kind, it quickly became a must have tool for the serious traveler.

Lifesaver.Do yourself a favor and don't leave home without one of these if you are on a super long road trip. Especially if on that super long road trip you have a recently potty trained child. This book saved our butts (and our carseat). Multiple times.The only things I didn't like were the pages inside are newsprint, which has that funky newspaper smell that makes me slightly allergic so my eyes

would water and I'd sneeze if I had it open on my lap too long (minor inconvenience). Also it takes a little bit to figure out how to read the exits from one direction only. Other than those two things ... perfect!

This will come in handy on our trip this summer. Makes it easy to find a fuel station, restaurant, or hotel.

We get one of these books just about every year that we drive to Florida. With traffic and kids, you don't always know when you will need to look for food or a hotel. The Next Exit gives you information on what you can find at each interstate exit. I can really only testify to the accuracy on I-95. We find it to be very helpful for finding Chick-fil-A and Krispy Kreme! Yum!!

Well laid out with much useful information. Have used this for several years as we travel with a 45' motorhome and a tow. Helps us decide where to get fuel and places that can accommodate us. Highly recommend. Have also given it as gifts to family and friends traveling in cars. I've been told there is more information in the book than on the app.

Bought 3. One for us and 2 as gifts for four married kids. One is headed out in a couple of weeks for a road trip. I know they will get a lot of use out of it. We used one when traveling with friends and knew we wanted one too.

We have been using this book for years. Love it. Very helpful on the road, especially if you need diesel fuel, which is not always available at each exit. Great for restaurants, shopping etc.

Very useful when traveling. Like the saying goes, "Never leave home without it."

Definitely a good thing to have for traveling, especially on routes you don't usually use. Although, on one of our trips, we must have been on an interstate that had recently been finished because it was not in the book. But other than that, it has come in handy many times and this is our second or third time we purchased the updated edition.
