Love it

I love "Henry and Mudge"

Henry and Mudge books are high interest books that help children learn to read. My children love all of them.

My daughter loves all of the books included in this set. She is 3 years old. We both enjoy the stories. Not too long or too short.

My daughter (7yo) has loved these books!

Fun and delightful story of the love between a child and their dog

My Grandson, age 6 loves the stories. His family has a dog and cat, therefore he loves animals and loves reading.

This was a gift for a friend's daughter in another state from me so I sent them and she was simply delighted with this set of books!
