Cheryl Sedaker appears regularly on radio and television to discuss consumer affairs, food trends, and to share new recipes developed by the Reynolds Wrap Kitchens. She lives, works, and cooks in Riverside, Connecticut.

My aunt loves it.

NO PHOTOS. Black & white on cheap laser printer paper, not glossy paper. No color. No photos. I can find recipes like this on the Internet. I was hoping for photos of creative chicken dishes, which are eye-appealing, quick and easy. This book provided none of that. Totally disappointed.

great book, lots of recipes that look delicious, gave it to my daughter for a present she is really enjoying it

I like the book, the recipes are fairly simple and don't use too many ingredients that aren't readily available. My only wish is that the book had more pictures.

I've had this book for over ten years. My mother In-law kept pestering me to copy recipes for her so, I just bought her one. She doesn't call as much now. Thank you.

I use this book all of the time for cooking chicken. There are also lots of great sauces within the recipes as well. LOVE IT!

Lots of great recipes just wish it had pictures.

My niece is a chicken lover and this book will give her many ways to cook one of her favorite foods.
