Shipping Weight: 12 ounces

Average Customer Review: 3.0 out of 5 stars 4 customer reviews

Best Sellers Rank: #915,344 in Books (See Top 100 in Books) #61 in [Books > Health, Fitness & Dieting > Nutrition > Cancer Prevention](#) #75 in [Books > Health, Fitness & Dieting > Diseases & Physical Ailments > Cancer > Prostate Disease](#) #91 in [Books > Health, Fitness & Dieting > Men's Health > Prostate Health](#)

Customer Reviews

William L. Fischer has been involved in medicine, health care, and natural healing for over 30 years. After working with several of the largest pharmaceutical manufacturers in his native Germany, he moved to the United States and began publishing books on natural healing. For him to obtain the most comprehensive information available, his research has taken him around the world to such diverse places as Iran, The Far East, Europe, and Egypt to study natural healing techniques and practices of other cultures. He is the author of over a dozen books including the following: *How to Fight Cancer & Win*; *Breakthroughs in Arthritis*; *Secrets to a Healthy Heart and Low Cholesterol*; and *Eye Secrets to Better Sight*

I have prostate cancer, so I needed information. This one book started me researching diet and exercise and an alternative way to combat the cancer. At this time I am three years down the road from my purchase, I feel good, I am still exercising and watching my diet and have been off my cancer alternative for about two years. Get the book and educate yourself on the cancer.

Seriously overpriced book that has little new to offer. It is a good book to the extent that it discusses options other than surgery but the author doesn't really offer much guidance among the various options. Prostate sufferers should consider reading *The Natural Prostate Cure*, by R. Mason. Mason seems to know much more about the topic than Fischer.

Well, How come may I create my review, if you guys not even sent my item, I had not received my book because it was out of stock.I'm so Sorry for my comentJorge Villalon

"It is an easy-to-read book. A very good source, listing a lot of options. I am following some of them and I am feeling O.K."P.A., Hasselbacken, Sweden
