Blaze (Dark Kings)

Synopsis

Anson is a fierce Dragon King, a dragon shapeshifter born and bred to protect his own. But when a rogue tech company hacks into their world, he must join forces with the unlikeliest of allies: a human female. Her name is Devon Abrams. A rising star at the firm, she has no idea that her boss is in league with the sinister Fae and their secret war against humanity. If Anson gains her trust, he can defeat the enemy from within. But first he must fight his own attraction-to this exquisitely beautiful mortal . . . Devon loves her job at the firm. But sometimes she wishes she could find a man-a real man-who isn't threatened by her success. When she first meets Anson, she's overwhelmed by his powerful masculine presence and disarmingly gorgeous smile. But when he reveals his true mission-and his ability to transform into a dragon-she's irresistibly drawn into an epic battle between humans and immortals, magic and technology, danger and desire. Anson vows to protect her from the Fae. But can he control the flames of passion that blaze within his heart? Contains mature themes.

One of these days we will find out who is Rhi's King! Loved this tale of Devon and Anson and the movement of the story to expose Mikkel. Cannot wait to see the next interactions between the Druid Isla the Warriors and Con and Ulrick. Read this one most of the night. Sleepless with the Dark Kings! More please and HURRY!

Another great story by the Queen of "'Dragon Tails". She jumps right in with the Beginning Salvo. From there it's Katie Bar the Door. Ms. Grant knows how much and when to send out the next surprise. By that time you don't want the story to end. I'd like to see this Series never end.

I tell you every time a new Dark Kings book comes out I fall in love with them. I'm so glad the warriors and there mates are coming back in the mess of things. But I wish Rhi would be able to have her Dragon again she is so special that she deserves to be happy.

After 11 some odd books in the combined series, Donna Grant still has my full attention. I enjoy these series very much, am glad there are 10 or so more books on the docket and look forward to the direction they go next!

Donna Grant is amazing as always and never disappoints. I can't wait to read the next one and have read all her previous series as well. This one has me hanging on to every word and can't wait

to turn the page. Thanks so much and keep up the great work!! Love them all.

I absolutely love these books Anson and Devon were made for each other!! I can't wait for the next one, but when is Rhi going to get her own happy ending with her king. Donna you sure know how to keep my interest!!

With every book, I love them more and more. I can't seem to get enough of these sexy dragon kings. Donna Grant's writing is so exciting and always keeps you on your toes! Can't wait for the next one.

This book was well worth reading, there is action, romance, and of course the sexy dragons. I am so happy to see the return of the Warriors and the Druids. I can't wait for the next book to see what happens next.
