Greyson Gray: Triple Dare Pack: Books #1-3 (The Greyson Gray Series)

Synopsis

Save money while Greyson saves America! The Triple-Dare Pack includes the first three books of the thrilling Greyson Gray Series (Camp Legend, Fair Game, Deadfall). With this bundle, you save money and have in one book the entire series that critics are calling "a high-octane thrill fest" (Publishers Weekly), "always entertaining" (Kirkus Reviews), and "perfect reading" (Readers Favorite). Prepare to hold on tight as Greyson's story takes him from a sports camp in Iowa to spectacular battles on horseback, dirt bikes, and sinking cruise ships. As the nation becomes more and more dangerous, so must its heroes.

CAMP LEGEND: Morris College All-Sports Camp has everything twelve-year-old Greyson Gray needs to distract him from his father's mysterious disappearance - intense athletic competition, weird friends, and a pretty girl. But when Greyson stumbles upon a terrorist's sinister plot brewing in the observatory, a place already haunted by a chilling camp legend, he suddenly toils with two dueling worlds - one of lurking danger and mystery, the other of competition and awkward romance. Spurred on by his father's words to do what's good no matter the danger, Greyson and his faithful friends must mount a daring and coordinated heist on the observatory in order to save thousands of lives.

FAIR GAME: Stopping the terrorists only made them madder. The twelve-year-old secret savior of thousands, Greyson Gray, is given a new identity and forced into seclusion to hide from the Eye of Eyes - the most wanted man in the world and the leader of a rising terrorist group trying to divide the United States. But Greyson can only be secluded so long. Drawn toward suspicious activity at the massive Iowa State Fair, Greyson and his faithful friends uncover a plot even more insidious than before - one that threatens the fibers of the nation and possibly the next president of the United States. For Greyson, everything is on the line - his father's whereabouts, his relationship with Sydney, and the lives of everyone he loves. With new weapons, a new rival in love, and new enemies, there's no holding back. It's all fair game.

DEADFALL: After an unbelievable attack leaves the nation reeling, the FBI forces Greyson and his friends into seclusion, where they must deal with the heart-wrenching memories of the attack while hiding from vicious enemies bent on revenge. But Greyson can't hide for long. A new hope spurs him on as he escapes and travels across the country, stopping at nothing to find his father. When his plans unravel, he must survive as a fugitive, hunted by terrorists in an increasingly hostile and divided country, aided only by the contents of his fanny pack, a stray dog, and his ceaseless daring spirit. Greyson's adventure explodes with an epic journey, frightening battles, and a soul-searching tale of survival that brings him face to face with a dangerous world that is not always what it seems. Greyson must fight harder than he has ever fought before to prevent another terrifying plot that no one sees coming - a Deadfall.
