Customer Reviews

Bought this for my grandson and he loved it.

Great for teaching the 4th grade.

Great book for young and old readers to get interesting details about the gold rush.

Good book to read to kids about the California Gold Rush.

Content good. I found slanted and colored printing distracting.

Item as described

My students will actually read the non-fiction book. It's a good one to have in your classroom library.

Enjoyable and easily understood by students of multiple ages and grades. This book offers great informational text for a class
