The Puppy Place Special Edition: Chewy And Chica

Synopsis

Two chihuahuas mean double the fun in this special edition of Puppy Place. Lizzie and Charles Peterson definitely enjoy competing with each other. Especially when Lizzie acts like she knows everything about dogs and Charles just doesn't want to listen. Fortunately, in this Special Edition, there are TWO chihuahuas to foster. Charles and Lizzie each agree to take one and see who can train theirs more successfully. Will the Peterson household make it through this sibling rivalry?

Ellen Miles loves dogs, which is why she has a great time writing Puppy Place books. And guess what? She loves cats, too! That's why she came up with a brand-new series called Kitty Corner. Ellen lives in Vermont and loves to be outdoors every day, walking, biking, skiing, or swimming, depending on the season. She also loves to read, cook, explore her beautiful state, play with dogs, and hang out with friends and family. Visit her web site at www.EllenMiles.net.

My grand daughter is in high school and reads way above her grade level. Yet she wants all of these as they hold a special place in her heart. I purchase them and mail them to her as a surprise anytime gift. She loves the mail and the books. They fit great in a small manila envelope. Give the gift of reading and memories.

My niece loves the books in these series! Any compassionate animal lover will find these to be of high interest and difficult to put down. She is in fourth grade and finds reading to be a boring challenge, but these books help her find the joy in reading!
