Evanovich is the recipient of the Crime Writers Association's John Creasy Memorial, Last Laugh, and Silver Dagger awards, as well as the Left Coast Crime's Lefty award, and is the two-time recipient of the Independent Mystery Booksellers Association's Dilys award. Charlotte Hughes was raised in the South, the oldest and only daughter of three children. She co-authored the very popular Full House series with Janet Evanovich. Lorelei King has recorded over 200 audiobooks, including several titles from Janet Evanovich's bestselling Stephanie Plum series and Darynda Jones's Charley Davidson series. AudioFile also deemed her one of the "Best Voices of 2008."

This book Siri's got us about 20 hours down the road. The reader is amazing. The author became too predictable.

I have the rest of the set, and those books are unabridged. I enjoyed them thoroughly. These were OK, but nothing beats unabridged. I'm sorry that so far as I know, these are all that are available.

These are fun, fast-paced, romatic-comedy with mystery twists. Each book is relatively short (3 discs each) with 4 books in the set. The characters are fun and quirky.

Very happy

I'm collecting the full series, it is good listening while you are driving. I love Evanovich's work, it is light and funny!

The audio Book version is a great addition to the hand held books. Reader uses different voices for each character. Really Funny!

Great

I expected something on the caliber of the Stepahie Plum series, but this series is a far cry. They are so corny and the characters are shallow and predictable. I bought the audio series and the reader is no Lori Petty or Debi Mazar (she spells her first name the same way I do):-)Save your money and wait until you can download this free or check it fromt he library.
