Social Considerations Of Migration Movements And Immigration Policies (Advances In Religious And Cultural Studies)

Synopsis

In the globalized era, a higher level of attention is given to various migration, immigration, and refugee movements. By undertaking research on these concepts, their impact on contemporary society can be better understood. *Social Considerations of Migration Movements and Immigration Policies* is a pivotal reference source for the latest scholarly material on the socio-economic effects of immigration and refugee crises on regional and international levels. Including a range of innovative perspectives such as peace building, political refugees, and civil protection, this book is ideally designed for researchers, academics, graduate students, policy makers, and practitioners interested in the social dimensions of migration and immigration policies.
