This book is informational, to the point and organized in such a way that you can come back to it again and again for easy reference. Glad to have this awesome recipe book.

Paleo one of the best book for dieting. I was searching for such for long time but didn't find then one of my friends suggests me this one and I found this one extremely useful. This book is written in very easy and clear way that everyone can easily understand. The methods and techniques are very simple and easy to follow.

Paleo diet is a very interesting method. These books are especially wonderful because it uses the 30-day challenge idea with Paleo and who could ask for a better combo! Paleo diet is like diet focused more on high-protein, fruit and vegetables and less on the fat, sugar, and carbohydrates. These helps with the tendency to keep repeating recipes and getting burnt out too quickly.

Excellent explanation of the paleo diet with information of the nutritional value and

advice on changing to this healthy eating plan. Was easy to read and understand.

Can't seem to get going on it. They said it's easy, but it's not.

Well, I am surprise how precise their information on how Paleo Diet give us a healthier and fit body. Will, get my own copy on this book soon.
