The Come To Me Complete Collection: Contemporary Christian Romance

Synopsis

The complete Come to Me Series from bestselling author Leah Atwood, now available at a discounted price.

Come to Me Alive: Bryce Landry, country music's hottest star, has it all, or so everyone on the outside thinks. They can't see his struggle to discover himself, to find his place in unfamiliar territories, both as a dad and as a Christian. He takes a month off and escapes to the small town of Oden Bridge, Louisiana, where his daughter lives with his grandparents. Sophie Thatcher has never been a risk taker but never thought her life lacked until her boyfriend of three years breaks off their relationship. Only then, does she begin to question what she's missed by always playing it safe. Meeting Bryce is a call to action. She can let fear rule or trust in faith, which means taking the biggest risk of her life. As the weeks and months pass, they discover finding each other was easy, but holding on will be a different story.

Come to Me Free: Career-driven Dani Trahan wasn't interested in finding a husband. At only twenty-eight, she had plenty of time in her future to settle down and have a family, but for now, her sole focus was keeping her restaurant afloat. When tragedy strikes, however, she's forced to examine her priorities and relationships. Rob Jackson didn't do relationships. He'd long ago accepted that happily ever afters didn't belong to him. That was a decade ago, right around the time he stopped believing in God. Then he met Dani, and for the first time in ten years, he wanted to believe again—in love and in God. To move beyond friendship, Dani and Rob must first accept several truths, but can they learn to rely on faith before it's too late?

Come to Me Again: Dominic Sellers dreamed of escaping a life of poverty and making a living playing music. On the brink of giving up, he's offered the chance of a lifetime to be the new guitarist for Bryce Landry. His life finally aligned with his goals, but something was missing. Four years ago, Maisy Rothchild walked away from her fiancé—her best friend and the only man she'd ever loved. She'd give anything to go back and change that day, but that wasn't possible. There were factors that complicated the situation, things she couldn't tell anyone. When she makes a bold move to restore their friendship, can the same love that tore them apart bring them back together?

Come to Me Joyful: (Bonus Novella) Kate Jergens presents her life as the picture of perfection to everyone outside her close-knit circle. Old insecurities prevent her from letting people see who she really is. As the holidays approach, events cause those insecurities to reappear. When Luke Tatum catches his co-worker, Kate, with her guard down he realizes he doesn't know her as well as he thought. As he discovers who Kate really is behind her mask of flawlessness, his admiration for her grows and he finds himself more drawn to her. When faced with the possibility of losing someone

she loves, Kate's faith wavers. This Christmas season, will she accept support from the man who loves her or will she push him away?

Customer Reviews

I have read most of these stories several times, especially the 1st one. These are great stories that demonstrate family, caring & faith. A country music star was down (& drinking) but he found a better way through his grandparents' wisdom. A fellow band member met the star's cousin & connects. A new member joined the team. Through his friends, he learned about faith & what true friendship is like. Sophie's best friend learned to trust others & God. Through trust, she found love & family.

Must admit I am now addicted to this writer's storytelling! I read this collection one book after the other. The characters came alive....their interactions with one another rang real & true. Loved how they accepted Christ & how they were so willing to share their faith. I was sorry when the last book

ended. I highly recommend this author & this collection!

I REALLY LOVE READING A "COLLECTION" OF STORIES WHERE ONE CAN FOLLOW THE CHARACTERS THROUGH A LONGER PERIOD OF TIME. IT'S FUN TO SEE WHERE THE AUTHOR WILL TAKE THE CHARACTERS AND INTERMINGLE THEM. I ALSO REALLY LIKE THE FAITH SHOWN BY LEAH' S CHARACTERS. I REVEL IN THEIR JOYFUL LIVES.

Leah Atwood is a beautiful job on these stories. I love how she brings God into the picture. Another author to follow thank you

I enjoyed this series. The behind-the-scenes look at what the life of a music celebrity might be was interesting and believable. I appreciate the lack of sex and profanity and found the stories to be light and fun to read.

I loved this series wish I could get more of them. It is so good to be able to read books without vulgar language. Hope they keep offering this type of books.

I knew from the first book that I would read them all. The mood of each book was all about family, faith, and family. Each book was uniquely secured to the one before, while standing alone as a single book. I would recommend the series, or single book, to anyone who needs encouragement in in their daily problems.

Great reading
