Be Resolute (Daniel): Determining To Go God's Direction (The BE Series Commentary)

Synopsis

The book of Daniel relates the familiar Sunday school stories of the lions' den, the fiery furnace, and some remarkable prophecies, but take some time to investigate these stories more closely. How did Daniel, Shadrach, Meshach, and Abednego possess such a fearless faith? Perhaps no one in the Bible possessed a more resolute faith in God than these individuals. Daniel and his peers never took the easy way out, but stood their ground, even in the face of death. There's a lot to be learned from Daniel about unshakable faith. Study this extraordinary Old Testament book. Even more importantly, apply what you learn as respected Bible teacher Warren W. Wiersbe unfolds both the explicit and implicit teachings to lead you to a more resolute faith.

Customer Reviews

I read this book because I love prophecy, and this is a great prophecy book, as a master of fact I don't believe one can understand the book of revelation without understanding the book of

Daniel,"about 21 images in the book of Daniel are found in revelation "and this commentary goes over and reviews basically ever sentence in the book of Daniel, but outside the prophecy aspects of Daniel, weirsbe also reviews the life and resolve of Daniel,and his absolute power in his prayer life and the complete sovereignty of God, and how GOD's sovereignty is an absolute comfort for the believer.

I have yet to read one of Wiersbe's commentaries that I did not thoroughly enjoy. He enriches Scripture study with a perspective that is not expressed with "deep" Doctoral college language, but more of a layman's explanation of what the verses are saying. That being said, his study is very thorough in its message and very well conveyed. I have many of his "Be" series of commentaries and recommend any of his works for anyone looking for a better understanding of the Bible Scripture.

This is the 5th Bible study that I have used Wiersbe's books, they are one of the best I have used.

In depth study of Daniel. Fantastic insight; plain language...anyone can understand this commentary. It is interesting reading in an easy style. Good application questions.

Found Be Resolute an inspiring, encouraging read. Spent time taking notes as the Lord spoke to me. Important to note: don't just read the book read each chapter of Daniel from the Bible before beginning to read each chapter from thje book.

This book was a good out line for our Bible study group on the book of Daniel. I always learn something new and wonderful about God's love and grace for us with the Best Resolute series.

A wonderful study for our own times as it powerfully reminds us that no matter what, no matter where, no matter who...God is still in control!

can't say too many good things about this series. We have been using them for years.
