Into The Fire: A Night Prince Novel

Synopsis

In the explosive finale to New York Times best-selling author Jeaniene Frost's Night Prince series, Vlad is in danger of losing his bride to an enemy whose powers might prove greater than the Prince of Vampires'. In the wrong hands, love can be a deadly weapon. For nearly 600 years, Vlad Tepesh cared for nothing, so he had nothing to lose. His brutal reputation ensured that all but the most foolhardy stayed away. Now, falling in love with Leila has put him at the mercy of his passions. And one adversary has found a devastating way to use Vlad's new bride against him. A powerful spell links Leila to the necromancer Mircea. If he suffers or dies, so does she. Magic is forbidden to vampires, so Vlad and Leila enlist an unlikely guide as they search for a way to break the spell. But an ancient enemy lies in wait, capable of turning Vlad and Leila's closest friends against them and finally tearing the lovers apart forever.

Customer Reviews

-The finale to the Leila and Vlad journey. It $\tilde{A}f\hat{A}\phi\tilde{A} \ \hat{a} \neg \tilde{A} \ \hat{a}_{,,\phi}cs$ finally come to the final book in the Night Prince series and I have to say, it hits all the points that I needed and ends at just the right time.-Loved seeing old faves from the Cat & Bones universe. There $\tilde{A}f\hat{A}\phi\tilde{A} \ \hat{a} \neg \tilde{A} \ \hat{a}_{,,\phi}cs$ several faves that make an appearance or are at least mentioned. The ones that make a cameo are hilarious, show promise for the future, and $|\tilde{A}f\hat{A}\phi\tilde{A} \ \hat{a} \neg \tilde{A} \ \hat{a}_{,,\phi}cm$ all into that.-All external angst. Thankfully, Ms. Frost has managed to make this all about the obstacles without putting into question Vlad and Leila $\tilde{A}f\hat{A}\phi\tilde{A} \ \hat{a} \neg \tilde{A} \ \hat{a}_{,,\phi}cs$ love. Those obstacles though $\tilde{A}f\hat{A}\phi\tilde{A} \ \hat{a} \neg \tilde{A} \ \hat{A}|$ -The villains are

ill-defined. The only issue I would have with the villains are that there are more than one and I think the story would have benefitted greatly from a more cohesive threat that. By the time you find out who they are, it $\hat{A}f\hat{A}\phi\hat{A}$ \hat{a} $\neg\hat{A}$ $\hat{a}_{,x}\phi$ s a bit anti-climactic. There $\hat{A}f\hat{A}\phi\hat{A}$ \hat{a} $\neg\hat{A}$ $\hat{a}_{,x}\phi$ s a touch of the familiar in the dangerous situations they face but it was understandable. Having said that...-Lots of left field explanations. Also, I know that suspension of disbelief is key to any paranormal romance, but within that context, I don $\hat{A}f\hat{A}\phi\hat{A}$ \hat{a} $\neg\hat{A}$ $\hat{a}_{,x}\phi$ t think it $\hat{A}f\hat{A}\phi\hat{A}$ \hat{a} $\neg\hat{A}$ $\hat{a}_{,x}\phi$ s much to ask that the final resolutions to long-standing questions feel a bit more organic to the story. If it were one answer that felt out of left field, ok, but there were several and it didn $\hat{A}f\hat{A}\phi\hat{A}$ \hat{a} $\neg\hat{A}$ $\hat{a}_{,x}\phi$ t add to the overall tale. However, I did let my disbelief take a holiday and it still worked. Anycrazyway, I had to point out that my imagination/willingness to go with the flow didn $\tilde{A}f\hat{A}\phi\hat{A}$ \hat{a} $\neg\tilde{A}$ $\hat{a}_{,x}\phi$ t need that much of a workout. Just sayin $\hat{A}f\hat{A}\phi\hat{A}$ \hat{a} $\neg\tilde{A}$ $\hat{a}_{,x}\phi$. The Bottom Line 4 starsOverall, I really did enjoy this wrap up to the Night Prince novels. The teaser for the next series has piqued my interest and I $\tilde{A}f\hat{A}\phi\hat{A}$ \hat{a} $\neg\tilde{A}$ $\hat{a}_{,x}\phi$ m ready and willing to visit the night Huntress $\tilde{A}f\hat{A}\phi\hat{A}$ \hat{a} $\neg\tilde{A}$ \ddot{E} œverse again.

At long last Into the Fire is here and it kept me on the edge of my seat, almost in tears from laughing so hard and wanting to punch every last one of the characters with the exception of lan and Marty. After everything Leila and Vlad has been through, its almost bittersweet how it all ended and more than a little WTF just happened here. I really enjoyed how Jeaniene Frost delved into Leila and Vlad's past in this one, now a lot of things make sense and past questions have been answered. The necromancer twist kept me guessing all the way until the end but the icing on the cake is lan. I laughed more while reading this book than any of the other books in this series, some of his antics and the things he says are absolutely priceless. I really, really hope he'll have his own series.All in all its hard to say goodbye to old friends and I will miss them, maybe they'll show up later with a few cameos. The only thing that prevented this from 5 full stars is the fact that the ending seemed rushed, I would have liked to see a better epilogue for Vlad and Leila. This one just ended leaving me with little closure.4.5 Stars

Since I have read the other books in this series, my expectations for Into The Fire were the same or more than the others read. I Could not wait to finish what I was currently reading to get to the business of Into the Fire. It started off a little slow but some books just have to ease into themselves. Well as predicted the book did ease into itself-confusion, craziness and needed character development. What do I mean about confusion...where are they now? Who? Uhm, why? And then the craziness...necromancers? Cage of mirrors? Spell of regret and on and on. Character

development. After a time lag it is always good to refresh the reader's mind about at least secondary characters or such. Does lan ever do anything than say quips about sex or call Leila "Poppet?" I remember Marty, but how is his character relevant in this scenario? At the end of the day I LOVE Jeaniene Frost's writing and have read all of the books leading up to Into the Fire. My opinion, this book just didn't make the cut as all the others. Tex. No Recommendation.

Vlad and Leila end their tale in a sort of anti-climatic yet shocking fashion! A few loose threads bubbled storyline, but overall it was a solid finale. However, I do feel the Night Prince series ended on a high note because of Ian! He plays a large role in this book and I am thrilled he's finally going to get his own story! He's just too dang hard to ignore and once he opens his mouth and spews his raunchy sense of humor..he never fails to send me into fits of laughter! His love interest was a surprise for me, and I can't wait to read their dynamics!

3.5 out of 5 not sure how to rate it stars. I $\hat{A}f\hat{A}c\hat{A} \hat{a} \neg \hat{A} \hat{a}_{,,,}cv$ loved this series. Top dog heroes are my thing and that is definitely Vlad. Leila $\hat{A}f\hat{A}c\hat{A} \hat{a} \neg \hat{A} \hat{a}_{,,,}cv$ powers have always been unique and interesting in my min. They have an inner darkness that marries well together and $|\hat{A}f\hat{A}c\hat{A} \hat{a} \neg \hat{A} \hat{a}_{,,,}cv$ wanted a good hea for them, but the finale left me a little wanting. Don $\hat{A}f\hat{A}c\hat{A} \hat{a} \neg \hat{A} \hat{a}_{,,,}cv$ evanted a good hea for them, but the finale left me a little wanting. Don $\hat{A}f\hat{A}c\hat{A} \hat{a} \neg \hat{A} \hat{a}_{,,,}cv$ get me wrong, it was good, but I expected more from Frost for these two. What I liked: Leila $\hat{A}f\hat{A}c\hat{A} \hat{a} \neg \hat{A} \hat{a}_{,,,}cv$ powers were finally given a bit more explanation and background. Ian is awesome. Every scene he was in made me happy. Vlad went nuclear and tried to fry everyone. Over the series, Leila has grown more comfortable in her own skin and powers. If there is going to be a series this long, I have to see some maturation or get annoyed. What I didn $\hat{A}f\hat{A}c\hat{A} \hat{a} \neg \hat{A} \hat{a}_{,,,}ct$ like: Leila $\hat{A}f\hat{A}c\hat{A} \hat{a} \neg \hat{A} \hat{a}_{,,,}ct$ Indian? Since when? And a big, new character shows up, drops some truth bombs and then puffs into thin air? To the very end, Vlad is overprotective and they both have honesty issues. I $\hat{A}f\hat{A}c\hat{A} \hat{a} \neg \hat{A} \hat{a}_{,,,}ct$ little problem felt forced and transparent. After some build up, there was no resolution between Vlad and Mirceos, I $\hat{A}f\hat{A}c\hat{A} \hat{a} \neg \hat{A} \hat{a}_{,,,}cm$ guessing that will be a spin off as well?
