Symphony No. 9 In Full Score (Dover Music Scores)

Synopsis

"Mahler inherited the romantic conception of music as an expression of a quest for spiritual reality. He expressed a four-sided conflict between a devouring love of life, a spiritual need, a skeptical intellect, and an existential dread of ultimate meaninglessness." • Encyclopaedia Britannica. In this great work, Mahler experimented with the four-movement symphonic form, producing a masterpiece of musical innovation, satiric writing, and poetic drama expressed in purely instrumental terms. Alban Berg referred to the first movement of the Ninth Symphony as "the most glorious [Mahler] ever wrote," and further observed, "the whole movement is based on a premonition of death which constantly recurs that is why the tenderest passages are followed by tremendous climaxes like new eruptions of a volcano." Now the full orchestral score of the Ninth Symphony is available in the inexpensive, high-quality edition, reprinted from an authoritative Viennese score. Music lovers and admirers of Mahler's work will find in these pages abundant evidence of the fresh and formidable thinking the composer brought to this monumental composition.

Book Information

Series: Dover Music Scores

Paperback: 192 pages

Publisher: Dover Publications; Reprint edition (March 18, 1993)

Language: English

ISBN-10: 0486274926

Customer Reviews

Austrian composer and conductor Gustav Mahler (1860–1911) wrote chiefly symphonies and Lieder. Late Romantic in style, his tempestuous works reflect the anxious mood of Europe at the turn of the 20th century. Because of his Jewish roots, the composer's music was

suppressed by the Nazis but has enjoyed a steady revival over the past five decades.

Well printed score. Has the high standards of the other Mahler works I've purchased from Dover Music. Would recommend to anyone who wants to study the scoring of these great works and have a clear and concise score to read from. Excellent.

It wasn't so long ago that a full score of a Mahler symphony cost a week's wages. Dover has made a large part of the classical canon available to music lovers without deep pockets or institutional affiliation. Of course they must cut some corners, and here they use a very small font to get everything on the relatively small pages (8 1/2" x 11"). On some pages the font is REALLY small, but the notes are all so clear that it's quite readable - though not, to be sure, from a conductor's podium. This is a study score, not a performing score. As such, it's fine. Highly recommended.

beautiful score!!

This a very well printed score. It's very easy to see the notes and the instrument names are printed on each staff of each page for easy reference. I would definitely suggest this product for study more than rehearsal or performing, though. The print is too small to see from a podium.

Once I had collected a number of orchestras performing all of Mahler's symphonies, I couldn't think of a better way to enhance my collection than to get the full scores, too. Sometimes I even play my clarinet along with the orchestra on the CD! What a joy! If you love Mahler -- and especially if you have a collection of his symphonies -- your compendium isn't truly complete without the full scores. The Dover Mahler scores are outstanding!

I have used Dover scores for many years. They are complete and very reasonably priced. More readable than mini scores.

Universal edition reprint. Works well for the price. Fairly easy to read and clearly printed.

VERY GOOD, BUT THE PAPER QUALITY NOY SO MUCH
